RESPONSE TO NOTICE TO NOTIFICATION OF MISSING REQUIREMENTS

Dear Sir:

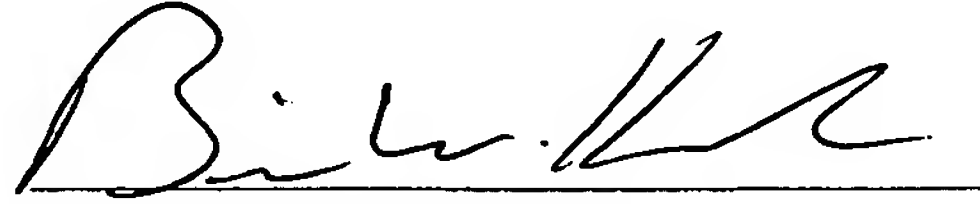

This is in response to the notice dated July 31, 2008, a copy of which is attached.

Applicant respectfully submits that the Declaration & Power of Attorney for this application was previously submitted to the Patent Office on February 7, 2007. Attention is directed to the attached copy of the Image File Wrapper index taken from the PAIR website, which indicates the Oath or Declaration filed consisting of 6 pages. The actual document resides on pages 2-5.

With respect to the objection regarding payment of additional claim fees, please note that the claim fee calculation should be based on the claims presented in the Preliminary Amendment submitted with the new application documents on September 25, 2006. Payment of extra claim fees (35 extra claims) was also submitted on September 25, 2006.

It is therefore believed that all formality requirements in this application have previously been met. In addition, it is also believed that no further or additional fees should be payable in this application. However, should any additional fees be deemed necessary, the Commissioner is authorized to charge our Deposit Account No. 12-0400.

Respectfully submitted,

Attorney for Applicant
